#7 Check-in (at the old concession area near the commons start/finish line) is required for running events no later than 30 minutes prior to the schedule start time. #8 The meet will be following USATF Rules as opposed to High School rules. Note there are differences.

#9 We will be enforcing shoe rules, as this is a World Athletics Approved Meet. You can check this list to make sure your shoes are compliant <https://certcheck.worldathletics.org/FullList>. The checks will be by an official at random, and you may have completed your event and be disqualified for non-compliant shoes. It is up to you to check prior to competing. Note while Super Road Racing Shoes are the biggest issue (no pun intended), we also had issues at our recent college meet with some inexpensive spikes that were not on the approved list, so please take a minute to check to avoid disqualification. Lastly no spikes longer than ¼ inch are permitted on our track (this includes Javelin and High Jump)

#10 Athletic Tape is the only acceptable marking device (no chalk).

#11 Protests must be filed with the clerk within 30 minutes of the conclusion of the event.

#12 We will have a trainer on site near the finish line for emergencies.
